G400 Combined cooker, 90 cm

## General information

|                 |                            |                         |                        |
|-----------------|----------------------------|-------------------------|------------------------|
| Product group:  | <b>Combined cooker</b>     | Colour of the product:  | <b>Silver</b>          |
| Hob type:       | <b>Gas</b>                 | Control panel material: | <b>Enameled</b>        |
| Door material:  | <b>Glass and aluminium</b> | Interior material:      | <b>Enamelled steel</b> |
| Cover material: | <b>Glass</b>               |                         |                        |

## Control

|                  |                                         |             |                        |
|------------------|-----------------------------------------|-------------|------------------------|
| Timer:           | <b>Mechanical minute minder</b>         | Knob shape: | <b>Ergonomic knobs</b> |
| Ignition device: | <b>One-hand ignition device for hob</b> |             |                        |

## Cooking surface

|                                 |                          |                                  |                         |
|---------------------------------|--------------------------|----------------------------------|-------------------------|
| Cooking zone front left:        | <b>Large burner</b>      | Ø left front (mm):               | <b>65</b>               |
| Cooking zone power left front:  | <b>1650 W</b>            | Cooking zone right front:        | <b>Auxiliary burner</b> |
| Ø right front (mm):             | <b>50</b>                | Cooking zone power right front:  | <b>900 W</b>            |
| Cooking zone left behind:       | <b>Large burner</b>      | Ø left behind (mm):              | <b>65</b>               |
| Cooking zone power left behind: | <b>1650 W</b>            | Cooking zone right behind:       | <b>Large burner</b>     |
| Ø right behind (mm):            | <b>85</b>                | Cooking zone power right behind: | <b>2850 W</b>           |
| Cooking zone middle:            | <b>Wok triple burner</b> | Ø middle (mm):                   | <b>103</b>              |
| Cooking zone power middle:      | <b>4200 W</b>            | Type of pan support:             | <b>Cast iron</b>        |

## Heating types

|               |                               |               |                                      |
|---------------|-------------------------------|---------------|--------------------------------------|
| Heating type: | <b>Ventilation</b>            | Heating type: | <b>Circular heater</b>               |
| Heating type: | <b>Lower and upper heater</b> | Heating type: | <b>Upper heater</b>                  |
| Heating type: | <b>Upper heater and fan</b>   | Heating type: | <b>Lower heater with ventilation</b> |

## Features

|                                              |               |           |            |
|----------------------------------------------|---------------|-----------|------------|
| Interior light:                              | <b>Behind</b> | MultiAir: | <b>Yes</b> |
| Baking on different levels at the same time: | <b>Yes</b>    |           |            |

## Equipment

|              |                     |                    |            |
|--------------|---------------------|--------------------|------------|
| Oven guides: | <b>1 wire guide</b> | Roasting spit set: | <b>Yes</b> |
|--------------|---------------------|--------------------|------------|

|                              |                                                                  |                               |                      |
|------------------------------|------------------------------------------------------------------|-------------------------------|----------------------|
| Baking pans:                 | <b>1 shallow enameled baking pan, 1 deep enameled baking pan</b> | Wire shelf:                   | <b>1 pcs</b>         |
| Gas type:                    | <b>G30/30 liquid gas</b>                                         |                               |                      |
| <b>Safety</b>                |                                                                  |                               |                      |
